**TRUMP INTERNATIONAL HOTEL & TOWER® CHICAGO
DEBUTED JANUARY 30, 2008**

CHICAGO—**Trump International Hotel & Tower Chicago**, located in the heart of the city on Wabash Ave., astride the fabled Chicago River, welcomed its first hotel guests on January 30, 2008. The hotel, comprising floors 14-27 of a 92-story residential tower in development by the Trump Organization, features 339 luxuriously appointed guestrooms—including one-, two- and three-bedroom suites. Designed by the noted architectural firm of Skidmore, Owings & Merrill with interiors by McGinley Design, **Trump International Hotel & Tower** promises to be a stunning addition to Chicago’s distinguished skyline.

In tune with the hotel’s eponymous decade-old sibling located at One Central Park West in New York City, the Chicago hotel features top-of-the-line appointments, unrivaled service and the very special personal attention provided by the Trump Attaché™. The hotel’s unparalleled amenities are highlighted by The Spa at Trump® (including dedicated spa guestrooms), elegant conference and private event space, a full-service health club, Rebar—a sophisticated lounge and Sixteen, a fine dining restaurant that rivals the best Chicago has to offer.

Embodying the vision of Donald Trump and his three grown children—Donald Trump, Jr., Ivanka Trump and Eric Trump—**Trump International Hotel & Tower Chicago** represents a new generation of style and luxury in worldwide hospitality.

“We envision Trump International Hotel & Tower to become the number one choice among savvy travelers to Chicago as well as local residents and event organizers,” said Vice President and Managing Director Colm O’Callaghan. “The hotel’s remarkable views will thrill our guests, punctuating the quality and level of furnishings, appointments, amenities and service provided. Our commitment to highly personalized care will be our hallmark, yielding individualized experiences that will be true memory-makers for every one of our guests,” he added.

Among the hotel’s many facets are the following:

- **Guest Rooms**

Upon arrival at **Trump International Hotel & Tower Chicago**, guests are greeted with the utmost attention and care, beginning with assistance from the hotel’s 24-hour, white-glove door attendants, or, as elected by the guests, their Trump Attaché. Spacious guest quarters feature 10-foot, floor-to-ceiling windows affording breathtaking views of Lake Michigan, the Chicago River and the city skyline. Contemporary, custom-designed furniture grace the living areas, and bedrooms include Trump Luxury Sleep Systems

designed exclusively by Stearns & Foster®. This deluxe system includes pillow-top mattresses; comfort layers made with luxurious silk and wool fibers that provide the ultimate in contouring support; an Edge Support System that maximizes the sleeping surface, UltraSteel™ boxsprings and 500 thread count linens from Bellino. To further optimize their restful experience, guests may also choose from an extensive Pillow Menu.

Fully-equipped kitchens feature Italian wood cabinetry by Snaidero and stainless steel appliances including a microwave and a dishwasher and cook top by Miele. The room's Sub-Zero refrigerator also serves as the mini-bar, offering—in addition to snacks, water and juices—half-sized bottles of wine and spirits. Bernadaud china fills the cabinetry in all guest rooms. The limestone, five-fixture bathroom features custom vanities, separate stall shower, deep soaking tubs, in-mirror television portal and premium fixtures offering luxurious touches. For guest ease, lighting and window treatments can be controlled at the touch of a button, and every room features an electronic “Do Not Disturb” option that automatically disables the doorbell to each guest room. For optimum entertainment options, each room includes at least one flat-screen LCD television that is HDTV-equipped, DVD players, a state-of-the-art stereo system and iPod adapters. In partnership with Amazon, **Trump International Hotel & Tower Chicago** will also provide the Amazon Kindle (available upon request) for guests seeking a unique vehicle to read their favorite novels or magazines or stay informed of current events worldwide.
